Dan and Angela,

For this afternoon’s meeting, I offer the following suggestions for you to consider as reminders for Chris and Michelle – associated with the Permitting, Drinking Water and Infrastructure Branch.

3. LUB GWMA: The only additional thought I’d offer, beyond what they know and you know is that if the letter can get out this week, I would be happy to pursue a discussion with the State (Justin and Jennifer) regarding the potential for a request for funding from year-end resources.

Please let me know if you have any questions. I defer to you as to whether any of these NEED to be mentioned in your 30 minute context.
